With reference to copy of your letter No.2495/TRTS, dated July 23, 1941, to the address of all Chairmen of Area Civil Technical Recruiting Committee, received by me through the Collector, Benares, under his endorsement No.45/XV-323, dated 11th August 1941, it is mentioned in para 2 that the acuity of vision should be 6/9, 6/12 with or without glasses, I have the honour to enquire the minimum limit in terms of dioptoric value, up to which candidate may be considered as fit. Candidates come with glasses - 4D or even higher denominations and yet their acuity of vision is 6/6 with those glasses. Should they be passed fit.
